Application for Membership

The objects and purposes for which the Club exists are:

- I. To raise public awareness and appreciation of model railroading and our local railway heritage through the quality modeling and public presentation of representative reproductions coupled with the provision of accurate historical information;
- II. To raise funds for the purpose of achieving the Club objectives;
- III. To promote the mutual interests of the members, and to foster goodwill and co-operation among and between the Club members and the community. (Amended, March 25, 2023)

As well as understanding and agreeing with the above noted objects of the Club, it is further understood by me that acceptance of my membership in the Club shall bind me to abide by the Rules and Regulations of the Club and that membership in the Club is a privilege and not a right.

Privacy Clause - Use and Distribution of Personal Information

- a) My personal information shall not be released by any member to anyone outside the Lindsay & District Model Railroaders without written permission.
- b) Release of my personal information will always be subject to provisions of the Lindsay & District Model Railroaders Privacy Code and Privacy Policy.
- c) I will not release any other Lindsay & District Model Railroaders member's personal information without their written permission via email or by documentation.
